

August 2019

Dear Rhinelander Country Club Members,

Time flies when you are having fun, And retired, And golfing at the Rhinelander Country Club.

Here is an update of the happenings at the Rhinelander Country Club:

We have gotten the mortgage note completed and it looks like it is a go for August 1st. We will pay off both notes and hold the remainder for October. Yes, the speed bumps will be around for another two months. Because of the semi/truck (food and beer truck) traffic, Musson said we should wait until then to get everything done. Doing it in August or September would get it all dug up with the traffic. We will have to shut down the club for two day for tree removal. More on that at a later newsletter when we have more information.

We have picked September 30th for the annual equity members meeting. Brad Kowieski is doing some number crunching for us for our next board meeting. He is putting together some ideas for handouts at that meeting as requested by some of our membership.

I couldn't believe my eyes! Two coyotes stalking number seven fairway. Seems to have kept the geese away. Some how, one moved over to number nine and the guest boat docks. Still working!

Club Championship in a couple of weeks. Bets are my new driver will stop working the Thursday before the event! It's a fun couple of days, IE, if you make it past Saturday morning! See Jon to sign up.

We have a reciprocal agreement with Bass Lake Country Club. See Jon for details. If we can get enough golfers, we might have an inter club competition on September 14 and 15. One day here and one there. Look for sign up sheets.

If you would be interested in running for a Board of Directors' seat, please contact me.

I will sign off now. Enjoy August at the club.

Bruce Ginzl
President

Please call me or email me with any questions or concerns. 715-360-5590 bsginzl@charter.net

If you know of someone who may be interested in joining, give them an application. We are continuing the Introductory Memberships again this year and encourage those who currently are Introductory Members to stay with us. The application and most information about the Club, is on our website www.rhinelandercountryclub.com. There is no finer Country Club anywhere!

From the Pro

It is difficult to believe that August has arrived. The summer may be coming to an end, but we have nearly half of our year of golf still left.

August will be a very busy month with many special events. The Headwaters and ABC scrambles have each been held at RCC for over 30 years. The membership has helped these charities raise tens of thousands of dollars. We must also remember that these events have helped generate tens of thousands of dollars for RCC. These revenues are vital to every year's budget and contribute greatly to our bottom line. We ask a lot of our members with all the outside club events. The cost of participation is not cheap, yet the facts are that your participation helps keep costs for RCC down. The costs will remain the same, however by participating in these events you at least get something to help pay the bills other then just receiving a bill each month.

Please take the time, if it presents itself, to thank Eric and his crew for the incredible job they do. I visit a lot of other golf courses and country clubs over a season. I have yet to find a course in better condition, or more playable, then ours. There are a lot of other memberships that pay a lot more then we do, whose courses are in much worse shape.

Jon

AUGUST EVENTS:

August 3 rd	ABC Scramble (course closed all day)
August 7 th	Rally for Cure
